Kenyon Military Academy.

ANNOUNCEMENT.

By authority of the Board of Trustees, under date of January 28, 1887, this institution, heretofore known as Kenyon Grammar School, will be known hereafter as Kenyon Military Academy.

Owing to the fact that in the public school system of Ohio the grammar school is preparatory to the high school, this name has been selected as better fitted to express to the mind of the general public the character of the Institution.

Two years ago the school was reorganized by the present management. With a determination to make it in all respects equal to the best schools in the land, many important changes, involving considerable expense, were made. Gratifying success has shown the wisdom of the step. The changes have been received with marked favor, the increase in boarding pupils during this period being almost 200 per cent. It has been demonstrated that the people of the Ohio Valley will support a school of high grade.

Parents wishing to enter boys at the Academy will do well to make application early.

DESIGN.

It is aimed to provide here an Academy where, under influences that tend to the development of Christian character, boys will receive efficient and careful instruction and training, intellectual and moral.

LOCATION.

The site of the Academy is on an arm of the plateau upon which Gambier is situated. It is half a mile from the College, and a quarter of a mile from Bexley Hall. The grounds comprise about sixty acres. They afford large stretches of lawn, ample ball and tennis grounds and pleasant walks, as well as all the necessary farming, gardening, pasture and meadow lands.

BUILDINGS.

The buildings consist of Milnor, Delano and North Halls. The first two are brick; the latter brick and frame. They front the South, and command a wide sweep of the Kokosing Valley. They are heated by steam, provided with bath rooms, and have the best system of drainage. The school room is 38 by 50 feet, with windows on three sides. The dining room is of the same size on the floor below.

DOMESTIC ARRANGEMENTS.

The Regents and their families, with the Masters and Cadets, occupy the same buildings, and form one household.

The parlors are always open to the pupils, with no other restraints than are common in well ordered families. A large reading room is open to the cadets at all times. It contains a library of boys' books; also papers and periodicals.

STUDIES.

The studies are arranged to accommodate two classes of boys. The Classical Course prepares for any college or university in the United States. The English Course is intended to meet the wants of boys who do not intend to go to college, but who leave the Academy to enter upon the active business of life.

To insure thoroughness, no pupil is advanced from one form to another, who has not passed satisfactorily an examination on the course of study pursued.

Pupils entering the Academy are assigned to the forms for which they are prepared. They are not allowed to change from one course of study to another, except at the beginning of a term.

CANDIDATES FOR KENYON COLLEGE.

Cadets who satisfactorily complete the studies of the Fifth Form will be admitted to Kenyon College without examination.

RELIGIOUS SERVICES.

The cadets attend daily services of prayer at the Academy, and the public religious worship on Sunday at the College Church. On Sunday afternoon there is either a half hour's study of the Bible or a lecture on some religious subject.

PHYSICAL EXERCISE.

The Academy is provided with a gymnasium, and the play grounds are large and attractive. All manly sports are encouraged.

MILITARY DRILL AND INSTRUCTION.

This department is in charge of the Head Master, by whom the cadets are regularly drilled. Its advantages are: (1) It secures healthful and agreeable exercise; (2) it tends to give an erect carriage and good manners; (3) it promotes habits of order and obedience, important elements of success both at school and in after life. The guns used are the Miller Cadet Rifles, and are furnished by the Academy.

TERMS AND VACATIONS.

The scholastic year is divided into three terms. The first term begins on the third Wednesday in September. There is a vacation of two weeks at Christmas, and one week at Easter. The year ends on the last Tuesday in June. Cadets are received only for the entire year, or the remainder of it, if it has begun. No deduction will be made on account of withdrawal or other absence, except for an absence of more than six weeks on account of sickness, when six dollars a week will be refunded for the time lost.

SCHEDULE OF FEES.

Tuition, Board, Washing (1½ doz.), Fuel, and Lights for the Scholastic Year	\$400
Payable at Entrance	\$175
Payable at beginning of Second Term	125
Payable at beginning of Third Term	100—\$400

A fee of five dollars is required on entrance, for medical attendance for the year.

A deposit of ten dollars, to cover the cost of books, incidentals, and for spending money, is required at the beginning of each term.

An itemized statement of account will be rendered at the end of each term.

No money will be advanced for clothing, except on a written order from parent or guardian.

All bills not paid promptly are subject to sight draft without notice.

Cadets who remain at the Academy during vacation are charged at the rate of ten dollars a week.

All checks should be made payable to the order of H. N. HILLS, Treasurer.

REQUISITES.

Each Cadet should bring with him a rubber coat, a pair of overshoes, a pair of rubber boots, blacking brush, clothes brush, four sheets ($2\frac{1}{4} \times 1\frac{1}{4}$ yds.), four pillow cases ($1 \times \frac{5}{8}$ yd.), blankets and two white spreads for single bed, six towels, six napkins, napkin ring, and two clothes bags. *To avoid loss, each article should be distinctly marked with the owner's name.*

UNIFORMS.

Two suits, a dress and a fatigue, similar to those worn at West Point, have been adopted for the Academy. These suits should be procured from the Academy Tailor, that there may be no variation in shape or color. By making a contract with a large and responsible house to furnish all the suits for the Academy, the cost of the two uniforms is forty dollars, and of the two caps, five dollars and a quarter. As the coats button to the throat, vests are not usually worn, and are not included with the uniforms. Citizens' clothes will not be allowed in use after the uniforms are supplied. Boys will be measured on arrival, and the suits at once ordered.

PRIZES.

At the close of the scholastic year, four prizes are given by the Regents to the cadets who rank highest in the following studies: Greek, Latin, Mathematics, and English Composition. Two prizes, a first and second, are given by the Head Master for the greatest proficiency in Declamation.

RECEPTIONS AND HOLIDAYS.

A pleasant and useful feature of the Academy are the Receptions given to the cadets on Wednesday evenings. These are sufficiently formal to insure the cultivation of courteous and easy manners, and yet they add greatly to the homelike character of the Academy, and are occasions of genuine enjoyment.

The greater part of Thursday is set apart as a holiday.

TAKE NOTICE.

A prompt attendance at the beginning of each term is very important. Time lost then adds greatly to the difficulties met by pupils, as they fail to receive many important directions and explanations then given.

Leave of absence in term time is not allowed, except in case of great urgency. Parents should make application for absence directly to the Rector by letter.

Dentistry should receive attention during the vacations.

The use of tobacco in any form is strictly prohibited.

Cadets are not permitted to receive from home eatables of any kind, except fresh fruits in their season. This applies as well to "boxes" at Thanksgiving as at other times.

POCKET MONEY.

Too liberal an allowance of pocket money causes the ruin of many boys. It is a fruitful source of disorder, habits of extravagance, and neglect of studies. All money for the use of pupils must be deposited with the Rector, to be disbursed at his discretion. Parents and guardians are earnestly requested not to violate this rule.

ADMISSION.

Blank forms of application for admission to the Academy may be obtained from the Rector.

It should be distinctly understood that no vicious, insubordinate, or persistently idle boy, if admitted through mistake, will be permitted to remain in the Academy.

All communications concerning the Academy should be addressed to LAWRENCE RUST, Rector.

Kenyon College.

REQUISITES FOR ADMISSION.

Candidates for the Freshman Class are examined in the following studies:

ENGLISH—Reading, Spelling, Grammar and Composition.

HISTORY—Grecian, Roman and American. The History of Rome by M. Creighton will be accepted in Roman History.

GEOGRAPHY—Ancient and Modern. In reading Cæsar and Xenophon, there should be constant reference to the map.

MATHEMATICS—Arithmetic; Algebra, through radicals and quadratics; Plane Geometry, as much as is contained in Tappan or Chauvenet. The thorough study of Mental Arithmetic is strongly recommended. The use of simple drawing instruments should be taught in connection with Plane Geometry; and original constructions and demonstrations should be required.

LATIN—Grammar, including Prosody; Arnold's Prose Composition to Chapter X; Cæsar, four books; Cicero, six orations; Virgil, four books of the *Æneid*.

The English method of pronunciation is preferred.

GREEK—Grammar, including Prosody; Prose Composition, twenty lessons in Jones; Xenophon's *Anabasis*, three books; Homer's *Iliad*, one book. Goodwin's Grammar is used as a manual. Some simple reader or companion book of exercises should be used in connection with the Grammar.

MYTHOLGY—Grecian and Roman.

A hand-book, such as Baird's Classical Manual, should be studied in connection with Virgil and Homer. A good classical dictionary and a dictionary of antiquities are necessary to classical students.

GERMAN—Grammar; Grimm—Kinder-und Hausmarchen; Schiller—Wilhelm Tell and Die Jungfrau von Orleans; Goethe—Hermann and Dorothea; Prose Composition; Outlines of German History.

Ability to translate at sight easy German prose, and to render into German, easy, connected English prose, will be required.

ADVANCED STANDING—Candidates for advanced standing are examined in the above studies, and in the studies that have been pursued by the class.

Fair equivalents are received for any of the above named books, or for parts of them. The books named serve to indicate the amount required.

Candidates for admission must present testimonials of good moral character; and, if they come from other colleges, certificates of dismissal in good standing.

The regular examination for admission to College takes place on Tuesday preceding Commencement, beginning at 8:30 o'clock A. M. Another examination is held on the day before the opening of the Christmas Term, at the same hour. Students may be examined for an advanced standing at any time before the commencement of the second term of the Senior year.

For each examination for admission at any day other than those appointed in the Calendar, a fee of two dollars will be charged.

Admission by Certificate.

Any student applying for admission to the Freshman Class at the beginning of the Collegiate year, will be admitted without examination, provided he brings a certificate from the Principal of a High School of any city in Ohio, or from the Principal of any reputable Preparatory School or Academy, that he has thoroughly done all the work prescribed in our catalogue for admission to the Freshman Class, and provided that the Principal will also state, that, in his opinion, the applicant is able to maintain a good position in his class, and that he is of good moral character and habits.

All certificates must be made out on blanks prepared for the purpose, which will be furnished on application to the President, and must be mailed so as to reach Gambier before the opening of the Christmas Term.

Teachers are requested not to give certificates unless clearly merited, but, in all doubtful cases, to throw the responsibility on the Faculty.

General Information.

LOCATION.

Gambier is a village, situated in the central part of Ohio, and is noted for its beautiful scenery, and its healthful and invigorating climate. No better place could well be found for quiet study, or for moral and religious culture. There are no saloons in the place. Gambier is distant by rail two hours from Columbus, four hours from Cleveland, and six hours from Cincinnati. The station of the Cleveland, Akron and Columbus railroad is immediately in the rear of the College grounds.

BUILDINGS AND GROUNDS.

The buildings are among the best in the United States. The Halls of the Literary Societies are unsurpassed. The College Park contains about a hundred acres, well shaded with maples, and with the grand old oaks of the native forest. To the east, the west and the south, it slopes most beautifully to the valley of the Kokosing.

TERMS AND VACATIONS.

The Commencement is held on Thursday before the last day of June. For particular dates see Calendar, page 43.

ATTENDANCE AND EXAMINATIONS.

Students not in their places at the opening of the Term must show by written statement from their parents or guardians that the absence was necessary.

When a student is necessarily absent from Gambier, and in cases of clear physical disability, known as such at the time by the Faculty, absences may be excused by special Faculty action. A student is not held morally accountable for such absences, and they are not considered in estimating his deportment grade; but in deciding the question whether or not a student shall be examined at the end of the term, all absences are counted. Regularity in the performance of all College duties is important for the welfare, not only of the individual student,

but also of his class, and any student who persistently neglects these duties will be required to leave College.

It is deemed unnecessary to examine at the end of the term those students who are regular in their attendance upon their College duties, and who show by their class work that they are well qualified to proceed with the studies of the next term.

Any student who fails to make a term grade of seventy-five in any study is examined in that study at the end of the term.

Any student who is absent from more than one-tenth of the recitations in any study is examined in that study at the end of the term.

PUBLIC WORSHIP.

Students are required to attend Morning Prayers in the College Chapel, also the public services on Sundays, and on the principal Holy Days of the Church.

THE BEDELL LECTURESHIP.

Through the liberality of Bishop and Mrs. Bedell, the interest of \$5,000 has been devoted to the establishment of a course of lectures on the Evidences of Natural and Revealed Religion, and the Relation of Science and Religion. The lectures are delivered biennially on Founders' Day.

MATRICULATION.

A student is admitted to matriculation when he has sustained a satisfactory probation. Matriculation gives accredited membership in the Institution, and entitles the student to an honorable dismissal. Students who have entered the Freshman Class free from all conditions, or who have removed all such conditions before Founders' Day, and who by diligence and good conduct have given satisfaction, are entitled to matriculation.

DISCIPLINE.

The Faculty reserve the right to suspend, remove or expel any student, whenever they believe that the interests of the College require such action.

DEGREES.

The degree of Bachelor of Arts is conferred upon all students of the regular course in good standing who are approved at the final examination of the Senior class.

The degree of Bachelor of Philosophy is conferred upon those who have successfully pursued the study of Modern Languages instead of Greek, and who have sustained a satisfactory examination upon all other studies of the regular course.

The degree of Master of Arts is conferred on Bachelors of three years' standing, who have pursued a year's study in some branch of the Liberal Arts, under the direction of the College Faculty. For Bachelors graduated before 1883 the rule remains as published before that date.

LITERARY SOCIETIES.

The two Literary Societies, *Philomathesian* and *Nu Pi Kappa*, have always been fostered by the College. The Society Halls are very commodious, and have been handsomely fitted up, occupying the whole of the second and third stories of the central portion of Ascension Hall. All the students are expected to be active members.

LIBRARIES.

The students have access to the Libraries of the Theological Seminary and of Kenyon College. The aggregate number of volumes in the Libraries is about 22,000.

READING ROOMS.

A Reading Room has been fitted up, where copies of the leading English and American periodicals and newspapers are kept on file.

BOARDING AND LODGING.

Rooms are provided in the College buildings in which students must lodge, unless they obtain permission from the President to room elsewhere. The College makes no special provision for board. This can be readily obtained in private families, or, at times, in clubs.

EXPENSES.

Each room is sufficiently large and convenient to accommodate two students. The rooms are provided with stoves, and are neatly painted and papered by the College. Students provide their own beds, furniture, light, books and stationery. Furniture can often be bought, as well as sold, at second hand, and the expense incurred by its use need not be great.

The College charges are: For Tuition, \$25 per term; for Room Rent, \$5 (at least) per term; and for Incidentals, \$10 per annum. A

matriculation fee of \$5 is charged to every student at his entrance. There are also some minor expenses, consisting of taxes voluntarily imposed by the students in their classes and their literary societies, and the expenses of graduation.

Every student must keep on deposit with the Treasurer \$5 as security for damage. Any balance is returned to the student at the close of each year.

When a student is absent for a term, and is afterwards, upon examination, allowed to go on with his class, tuition is charged for the time of his absence. Room rent is charged when a room is reserved for a student.

Fuel is supplied by the agent of the College, and must be paid for in advance, at the same time with the bill for tuition. The charge is \$6 per term for the first and second term, and \$3 for the third term; and twice these sums when a room is occupied by a single student.

Board in private families costs from \$3.50 to \$4.00 per week. Clubs are sometimes formed, and the expense for board is thereby materially reduced.

Students are not allowed to board themselves in their rooms, as this practice has been found to be perilous to health.

The following estimate may be given of the annual expenses, not including expenses in vacation:

Tuition,	\$75
Room Rent,	\$15 to 50
Incidentals,	10
Fuel,	15 to 30
Board,	95 to 152
Washing,	15 to 25
Lights,	5 to 8
Total,	\$230 to \$350

Other incidental expenses, such as books and stationery, furniture, expenses in societies, traveling expenses, etc., vary according to circumstances, and the character and habits of the individual student.

The College bill must be paid in advance, according to the following rule of the trustees:

"All students shall be required to pay their regular term bills in advance. The Treasurer's receipt shall be required by the President before he shall sign a certificate of matriculation, or, after the first term, before the student shall attend recitations."

ASSISTANCE.

Tuition fees are remitted to sons of clergymen. A few scholarships are available for students of the highest character and ability.

THE HENRY B. CURTIS SCHOLARSHIPS IN KENYON COLLEGE.

Hon. Henry B. Curtis, LL. D., has granted to the Trustees of Kenyon College a fund for the aid of meritorious students by loans of money at a low rate of interest. The interest is intended to meet only the risk of life, and is to be not greater than the average rate of life insurance.

Application for the benefit of a Henry B. Curtis scholarship must be addressed to the Secretary of the College Faculty, Gambier, O., and must state the applicant's name, residence, age, his father's name, and the amount asked for. The application is to be understood as confidential with the Faculty. In making the selection, the Faculty will consider all evidence that may be obtained as to the applicant's character, ability and merit, including his examination in school and college, and his record for punctuality and other good conduct, the best evidence being the Faculty's personal acquaintance with the applicant. The appropriations will be made for only a year at a time. The scholarship is intended to help the student, but not to cover all his expenses. The maximum for one student for one year will be one hundred and fifty dollars, but for a student's first year in college, seventy-five dollars. The sum appropriated will be paid in equal parts, one at the beginning of each college term. Upon each payment the student will give his promissory note for the repayment in five years from date, with interest at the rate of one and one-half per centum per annum.

ADMISSION.

Any candidate for orders in the Protestant Episcopal Church in the United States may be received as a student in the Seminary; and any other person who may give sufficient evidence of a fair moral and religious character.

EXAMINATIONS.

Candidates for admission to the Degree of Bachelor in Divinity, who are not Bachelors of Arts, must pass a satisfactory examination as to their knowledge of the English language and literature, and at least the first principles and general outlines of logic, rhetoric, mental and moral philosophy, physics and history, and the Latin and Greek languages, (*cf.* Tit. I, Can. 4, §ii, of the Digest). They will also be required to read an original composition.

A public examination of each class is held previous to the Annual Commencement; and certificates are awarded to those who, on the final examination, are found to have successfully pursued the full course of study.

MATRICULATION.

Every student, on being admitted to full standing, must subscribe the following declaration in the Matriculation Book of the Seminary:

"We, the subscribers, Students of the Theological Seminary of the Protestant Episcopal Church, in the Diocese of Ohio, do solemnly promise, with reliance on Divine Grace, that we will faithfully obey the laws and pursue the studies thereof, endeavor to promote the reputation and interests of the Seminary, and make daily efforts, by pious reading, self examination, and secret prayer, to cultivate all religious and moral dispositions and habits, and grow in those graces which should characterize the Christian and the Minister of the Cross."

The day of matriculation is determined each year by the convenience of the Bishop, who is President of the Seminary.

THEOLOGICAL ELECTIVES.

Special attention is called to the fact that a course of Theological Electives has been arranged for students in Kenyon College, by means of which the work of the Junior Seminary year is done during the Junior and Senior years in College. The student in this way obtains his A. B. degree in course, and shortens his Seminary course, after leaving College, from three years to two. For an oversight of the ground which these electives cover the College schedule, pp. 34 and 35, may be consulted.

LECTURES.

Lectures are given by the Professors upon all subjects of the course.

A course of Lectures is given on Science in its connection with Natural Theology by the Bowler Professor in Kenyon College.

Students are allowed to attend gratuitously any recitations or lectures in Kenyon College, provided they do not interfere with the appropriate duties of the Seminary.

LAWS.

Theological students are not expected to need discipline. A few laws exist tending to mutual convenience. Every student is expected to obtain leave before being absent from any recitation.

EXPENSES.

No charge is made for instruction, room rent, permanent furniture, or use of Library. Text books and movable furniture (such as bedding, towels, etc.,) are to be provided by the students.

Aid will be given to properly qualified students, by scholarships, or by the Joint Education Committee of the Dioceses of Ohio and Southern Ohio.

Board (38 weeks) costs from \$114 to \$133; Fuel, from \$15 to \$20; Washing, from \$15 to \$20; Lights, from \$3 to \$5; Total, from \$147 to \$178.

LIBRARY.

The Library of the Theological Seminary contains about seven thousand volumes.

RELIGIOUS SERVICES.

Students are expected to attend Daily Morning Prayers at the Church of the Holy Spirit. They are appointed in turn to read the lesson for the day. Evening Prayers are held in the Seminary Chapel. A Devotional Meeting, conducted by members of the Faculty, is held weekly. One hour each week is devoted to Bible Class studies in the English Bible by all students.

BISHOP AUER MISSIONARY SOCIETY.

• OBJECTS.—Inquiry respecting Missions—Diocesan, Domestic and Foreign; to establish Sunday Schools, and to employ other means of exerting a religious influence in the vicinity of Gambier.

MISSIONARY DUTY.

Members of the Senior Class are licensed as Lay Readers, and act under the direction of the Bishop.

Members of the Middle and Junior Classes act as Lay Missionaries in connection with the Bishop Auer Missionary Society, and under the advice of the Pastor of Harcourt Parish.

ANNOUNCEMENT.

The steady and rapid growth of the Academy made additional accommodations necessary for the present school year. Accordingly, a building called The Annex, containing twenty rooms, was erected last summer, in time for the opening of the Academy Sept. 21. It affords pleasant accommodation for forty cadets, and without it a large number of the cadets enrolled could not have been received. The prospect is that applications for admission in September 1888 will be largely in excess of accommodations. It is not the purpose of the Regents, however, to make any enlargement. During the summer of 1888, the present buildings will be put in much more attractive order, and the furnishing will receive careful attention, so that at the beginning of the next school year the material conditions of the Academy will be much better than at any time before. The efforts of the Regents to make the Academy a thoroughly good school, have been rewarded by a public confidence as generous as they could wish. They trust now to be able to deepen that confidence by centering their energies upon the improvement of the school, incorporating for the next year important improvements of the buildings and furnishing, increasing the efficiency of the household service, and leaving nothing undone to make the intellectual and moral training better than it has yet been. Under the present management it has been necessary to enlarge the accommodations each year. The Academy has become the largest preparatory school of its kind in this central region of the West.

DESIGN.

It is aimed to provide here an Academy where, under influences that tend to the development of Christian character, boys will receive efficient and careful instruction and training, intellectual and moral.

LOCATION.

The site of the Academy is on an arm of the plateau upon which Gambier is situated. It is half a mile from the College, and a quarter of a mile from Bexley Hall. The grounds comprise about sixty acres. They afford large stretches of lawn, ample ball and tennis grounds and pleasant walks, as well as all the necessary farming, gardening, pasture and meadow lands.

BUILDINGS.

The buildings consist of Milnor, Delano, North Halls and The Annex. The first two are brick, the third brick and frame, and the last is frame. They front the South and East and command a wide sweep of the Kokosing Valley. They are all heated by steam, except The Annex, which is heated by a furnace. They are provided with bath rooms, and have the best system of drainage. The school room is 38 by 50 feet, with windows on three sides. The dining room is of the same size on the floor below.

DOMESTIC ARRANGEMENTS.

The Regents and their families, with the Masters and Cadets, occupy the same buildings, and form one household.

The parlors are always open to the pupils, with no other restraints than are common in well ordered families. A large reading room furnished with papers and periodicals is open to the cadets at all times.

STUDIES.

The studies are arranged to accommodate two classes of boys. The Classical Course prepares for any college or university in the United States. The English Course is intended to meet the wants of boys who do not intend to go to college, but who leave the Academy to enter upon the active business of life.

To insure thoroughness, no pupil is advanced from one form to another, who has not passed satisfactorily an examination on the course of study pursued.

Pupils entering the Academy are assigned to the forms for which they are prepared. They are not allowed to change from one course of study to another, except at the beginning of a term.

CANDIDATES FOR KENYON COLLEGE.

Cadets who satisfactorily complete the studies of the Fifth Form will be admitted to Kenyon College without examination.

RELIGIOUS SERVICES.

The cadets attend daily services of prayer at the Academy, and the public religious worship on Sunday at the College Church. On Sunday afternoon there is either a half hour's study of the Bible or a lecture on some religious subject.

PHYSICAL EXERCISE.

The Academy is provided with a gymnasium, and the play grounds are large and attractive. All manly sports are encouraged.

MILITARY DRILL AND INSTRUCTION.

This department is in charge of the Head Master, by whom the cadets are regularly drilled. Its advantages are: (1) It secures healthful and agreeable exercise; (2) it tends to give an erect carriage and good manners; (3) it promotes habits of order and obedience, important elements of success both at school and in after life. The guns used are the Miller Cadet Rifles, and are furnished by the Academy.

*Pupils are not expected to study both Greek and German.

TERMS AND VACATIONS.

The scholastic year is divided into three terms. The first term begins on the third Wednesday in September. There is a vacation of two weeks at Christmas, and one week at Easter. The year ends on the last Tuesday in June. Cadets are received only for the entire year or the remainder of it, if it has begun. No deduction will be made on account of withdrawal or other absence, except for an absence of more than six weeks on account of sickness, when six dollars a week will be refunded for the time lost.

SCHEDULE OF FEES.

Tuition, Board, Washing ($1\frac{1}{2}$ doz.), Fuel, and Lights for the Scholastic Year.....	\$400
Payable at Entrance.....	\$175
Payable at beginning of Second Term.....	125
Payable at beginning of Third Term.....	100—\$400

A fee of five dollars is required on entrance, for medical attendance for the year.

A deposit of ten dollars, to cover the costs of books, incidentals and for spending money is required, at the beginning of each term.

An itemized statement of account will be rendered at the end of each term.

No money will be advanced for clothing, except on a written order from parent or guardian.

All bills not paid promptly are subject to sight draft without notice.

Cadets who remain at the Academy during vacation are charged at the rate of ten dollars a week.

All checks should be made payable to the order of H. N. HILLS, Treasurer.

REQUISITES.

Each cadet should bring with him a rubber coat, a pair of overshoes, a pair of rubber boots, blacking brush, clothes brush, four sheets ($2\frac{1}{4} \times 1\frac{1}{4}$ yds.), four pillow cases ($1 \times \frac{5}{8}$ yd.), blankets and two white spreads for single bed, six towels, six napkins, napkin ring, and two clothes bags. *To avoid loss, each article should be distinctly marked with the owner's name.*

UNIFORMS.

Two suits, a dress and a fatigue, similar to those worn at West Point, have been adopted for the Academy. These suits should be procured from the Academy Tailor, that there may be no variation in shape or color. By making a contract with a large and responsible house to furnish all the suits for the Academy, the cost of the two uniforms is forty dollars, and of the two caps, five dollars and a quarter. As the coats button to the throat, vests are not usually worn, and are not included with the uniforms. Citizens' clothes will not be allowed in use after the uniforms are supplied. Boys will be measured on arrival, and the suits at once ordered.

PRIZES.

At the close of the scholastic year, four prizes are given by the Regents to the cadets who rank highest in the following studies: Greek, Latin, Mathematics, and English Composition. Two prizes, a first and second, are given by the Head Master for the greatest proficiency in Declamation.

RECEPTIONS AND HOLIDAYS.

A pleasant and useful feature of the Academy are the Receptions given to the cadets on Wednesday evenings. These are sufficiently formal to insure the cultivation of courteous and easy manners, and yet they add greatly to the homelike character of the Academy, and are occasions of genuine enjoyment.

The greater part of Thursday is set apart as a holiday.

TAKE NOTICE.

A prompt attendance at the beginning of each term is very important. Time lost then adds greatly to the difficulties met by pupils, as they fail to receive many important directions and explanations then given.

Leave of absence in term time is not allowed, except in case of great urgency. Parents should make application for absence directly to the Rector by letter.

Dentistry should receive attention during the vacations.

The use of tobacco in any form is strictly prohibited.

Cadets are not permitted to receive from home eatables of any kind, except fresh fruits in their season. This applies as well to "boxes" at Thanksgiving as at other times.

POCKET MONEY.

Too liberal an allowance of pocket money causes the ruin of many boys. It is a fruitful source of disorder, habits of extravagance, and neglect of studies. All money for the use of pupils must be deposited with the Rector, to be disbursed at his discretion. Parents and guardians are earnestly requested not to violate this rule.

ADMISSION.

Blank forms of application for admission to the Academy may be obtained from the Rector.

It should be distinctly understood that no vicious, insubordinate, or persistently idle boy, if admitted through mistake, will be permitted to remain in the Academy.

All communications concerning the Academy should be addressed to LAWRENCE RUST, Rector.

ADVANCED STANDING—Candidates for advanced standing are examined in the above studies, and in the studies that have been pursued by the class.

Fair equivalents are received for any of the above named books, or for parts of them. The books named serve to indicate the amount required.

Candidates for admission must present testimonials of good moral character; and if they come from other colleges, certificates of dismissal in good standing.

The regular examination for admission to College, takes place on Tuesday preceding Commencement, beginning at 8:30 o'clock A. M. Another examination is held on the day before the opening of the Christmas Term, at the same hour. Students may be examined for an advanced standing at any time before the commencement of the second term of the Senior year.

For each examination for admission at any day other than those appointed in the Calendar, a fee of two dollars will be charged.

Admission By Certificate.

Any student applying for admission to the Freshman class at the beginning of the Collegiate year, will be admitted without examination, provided he brings a certificate from the Principal of a High School of any city in Ohio, or from the Principal of any reputable Preparatory School or Academy, that he has thoroughly done all the work prescribed in our catalogue for admission to the Freshman Class, and provided that the Principal will also state, that, in his opinion, the applicant is able to maintain a good position in his class, and that he is of good moral character and habits.

All certificates must be made out on blanks prepared for the purpose, which will be furnished on application to the President and must be mailed so as to reach Gambier before the opening of the Christmas Term.

Teachers are requested not to give certificates unless clearly merited, but, in all doubtful cases, to throw the responsibility on the Faculty.

TERMS AND VACATIONS.

The scholastic year is divided into three terms. The first term begins on the third Wednesday in September. There is a vacation of two weeks at Christmas, and one week at Easter. The year ends on the last Tuesday in June. Cadets are received only for the entire year or the remainder of it, if it has begun. No deduction will be made on account of withdrawal or other absence, except for an absence of more than six weeks on account of sickness, when six dollars a week will be refunded for the time lost.

SCHEDULE OF FEES.

Tuition, Board, Washing ($1\frac{1}{2}$ doz.), Fuel, and Lights for the Scholastic Year.....	\$400
Payable at Entrance.....	\$175
Payable at beginning of Second Term.....	125
Payable at beginning of Third Term.....	100—\$400

A fee of five dollars is required on entrance, for medical attendance for the year.

A deposit of ten dollars, to cover the costs of books, incidentals and for spending money is required, at the beginning of each term.

An itemized statement of account will be rendered at the end of each term.

No money will be advanced for clothing, except on a written order from parent or guardian.

All bills not paid promptly are subject to sight draft without notice.

Cadets who remain at the Academy during vacation are charged at the rate of ten dollars a week.

All checks should be made payable to the order of H. N. HILLS, Treasurer.

REQUISITES.

Each cadet should bring with him a rubber coat, a pair of overshoes, a pair of rubber boots, blacking brush, clothes brush, four sheets ($2\frac{1}{4} \times 1\frac{1}{4}$ yds.), four pillow cases ($1 \times \frac{5}{8}$ yd.), blankets and two white spreads for single bed, six towels, six napkins, napkin ring, and two clothes bags. *To avoid loss, each article should be distinctly marked with the owner's name.*

UNIFORMS.

Two suits, a dress and a fatigue, similar to those worn at West Point, have been adopted for the Academy. These suits should be procured from the Academy Tailor, that there may be no variation in shape or color. By making a contract with a large and responsible house to furnish all the suits for the Academy, the cost of the two uniforms is forty dollars, and of the two caps, five dollars and a quarter. As the coats button to the throat, vests are not usually worn, and are not included with the uniforms. Citizens' clothes will not be allowed in use after the uniforms are supplied. Boys will be measured on arrival, and the suits at once ordered.

PRIZES.

At the close of the scholastic year, four prizes are given by the Regents to the cadets who rank highest in the following studies: Greek, Latin, Mathematics, and English Composition. Two prizes, a first and second, are given by the Head Master for the greatest proficiency in Declamation.

ASSISTANCE.

Tuition fees are remitted to sons of clergymen. A few scholarships are available for students of the highest character and ability.

THE HENRY B. CURTIS SCHOLARSHIPS IN KENYON COLLEGE.

Hon. Henry B. Curtis, LL. D., has granted to the Trustees of Kenyon College a fund for the aid of meritorious students by loans of money at a low rate of interest. The interest is intended to meet only the risk of life, and is not to be greater than the average rate of life insurance.

Application for the benefit of a Henry B. Curtis scholarship must be addressed to the Secretary of the College Faculty, Gambier, O., and must state the applicant's name, residence, age, his father's name, and the amount asked for. The application is to be understood as confidential with the Faculty. In making the selections, the Faculty will consider all evidence that may be obtained as to the applicant's character, ability and merit, including his examinations in school and college, and his record of punctuality and other good conduct, the best evidence being the Faculty's personal acquaintance with the applicant. The appropriations will be made for only a year at a time. The scholarship is intended to help the student, but not to cover all his expenses. The maximum for one student for one year will be one hundred and fifty dollars, but for a student's first year in college, seventy-five dollars. The sum appropriated will be paid in equal parts, one at the beginning of each college term. Upon each payment the student will give his promissory note for the repayment in five years from date, with interest at the rate of one and one-half per centum per annum.

following rule of the trustees:

term, before the student shall attend recitations."

The degree of Bachelor of Philosophy is conferred upon those who have successfully pursued the study of Modern Languages instead of Greek, and who have sustained a satisfactory examination upon all other studies of the regular course.

The degree of Master of Arts is conferred on Bachelors of three years' standing, who have pursued a year's study in some branch of the Liberal Arts, under the direction of the College Faculty. For Bachelors graduated before 1883, the rule remains as published before that date.

LITERARY SOCIETIES.

The two Literary Societies, *Philomathesian* and *Nu Pi Kappa*, have always been fostered by the College. The Society Halls are very commodious, and have been handsomely fitted up, occupying the whole of the second and third stories of the central portion of Ascension Hall. All the students are expected to be active members.

LIBRARIES.

The students have access to the Libraries of the Theological Seminary and of Kenyon College. The aggregate number of volumes in the Libraries is about 22,000.

READING ROOMS.

A Reading Room has been fitted up, where copies of the leading English and American periodicals and newspapers are kept on file.

BOARDING AND LODGING.

Rooms are provided in the College building in which students must lodge, unless they obtain permission from the President to room elsewhere. The College makes no special provision for board. This can be readily obtained in private families, or, at times, in clubs.

EXPENSES.

Each room is sufficiently large and convenient to accommodate two students. The rooms are provided with stoves, and are neatly painted and papered by the College. Students provide their own beds, furniture, light, books and stationery. Furniture can often be bought, as well as sold, at second hand, and the expense incurred by its use need not be great.

The College charges are: For Tuition, \$25 per term; for Room Rent, \$5 (at least) per term; and for Incidentals, \$10 per annum. A

but also of his class, and any student who persistently neglects these duties will be required to leave College.

It is deemed unnecessary to examine at the end of the term those students who are regular in their attendance upon their College duties, and who show by their class work that they are well qualified to proceed with the studies of the next term.

Any student who fails to make a term grade of seventy-five in any study is examined in that study at the end of the term.

Any student who is absent from more than one-tenth of the recitations in any study is examined in that study at the end of the term.

PUBLIC WORSHIP.

Students are required to attend Morning Prayers in the College Chapel, also the public services on Sundays, and on the principal Holy Days of the Church.

THE BEDELL LECTURESHIP.

Through the liberality of Bishop and Mrs. Bedell, the interest of \$5,000 has been devoted to the establishment of a course of lectures on the Evidences of Natural and Revealed Religion, and the Relation of Science and Religion. The lectures are delivered biennially on Founders' Day.

MATRICULATION.

A student is admitted to matriculation when he has sustained a satisfactory probation. Matriculation gives accredited membership in the Institution, and entitles the student to an honorable dismissal. Students who have entered the Freshman Class free from all conditions, or who have removed all such conditions before Founders' Day, and who by diligence and good conduct have given satisfaction, are entitled to matriculation.

DISCIPLINE.

The Faculty reserve the right to suspend, remove or expel any student, whenever they believe that the interests of the College require such action.

DEGREES.

The degree of Bachelor of Arts is conferred upon all students of the regular course in good standing who are approved at the final examination of the Senior class.

General information.

LOCATION.

Gambier is a village, situated in the central part of Ohio, and is noted for its beautiful scenery, and its healthful and invigorating climate. No better place could well be found for quiet study, or for moral and religious culture. There are no saloons in the place. Gambier is distant by rail two hours from Columbus, four hours from Cleveland, and six hours from Cincinnati. The station of the Cleveland, Akron and Columbus railroad is immediately in the rear of the College grounds.

BUILDINGS AND GROUNDS.

The buildings are among the best in the United States. The Halls of the Literary Societies are unsurpassed. The College Park contains about a hundred acres, well shaded with maples, and with the grand old oaks of the native forest. To the east, the west and the south, it slopes most beautifully to the valley of the Kokosing.

TERMS AND VACATIONS.

The Commencement is held on Thursday before the last day of June. For particular dates see Calendar, page 44.

ATTENDANCE AND EXAMINATIONS.

Students not in their places at the opening of the term must show by written statement from their parents or guardians that the absence was necessary.

When a student is necessarily absent from Gambier, and in cases of clear physical disability, known as such at the time by the Faculty, absences may be excused by special Faculty action. A student is not held morally accountable for such absences, and they are not considered in estimating his deportment grade; but in deciding the question whether or not a student shall be examined at the end of the term, all absences are counted. Regularity in the performance of all College duties is important for the welfare, not only of the individual student,

THEOLOGICAL ELECTIVES.

Special attention is called to the fact that a course of Theological Electives has been arranged for students in Kenyon College, by means of which the work of the Junior Seminary year is done during the Junior and Senior years in College. The student in this way obtains his A. B. degree in course, and shortens his Seminary course, after leaving College, from three years to two. For an oversight of the ground which these electives cover, the College schedule, pp. 35 and 36, may be consulted.

LECTURES.

Lectures are given by the Professors upon all subjects of the course.

A course of Lectures is given on Science in its connection with Natural Theology by the Bowler Professor in Kenyon College.

Students are allowed to attend gratuitously any recitations or lectures in Kenyon College, provided they do not interfere with the appropriate duties of the Seminary.

LAWS.

Theological students are not expected to need discipline. A few laws exist tending to mutual convenience. Every student is expected to obtain leave before being absent from any recitation.

EXPENSES.

No charge is made for instruction, room rent, permanent furniture, or use of Library. Text books and movable furniture (such as bedding, towels, etc.,) are to be provided by the students.

RELIGIOUS SERVICES.

Students are expected to attend Daily Morning Prayers at the Church of the Holy Spirit. They are appointed in turn to read the lesson for the day. Evening Prayers are held in the Seminary Chapel. A Devotional Meeting, conducted by members of the Faculty, is held weekly. One hour each week is devoted to Bible Class studies in the English Bible by all students.
